

FAQ associated with NPO Membership

1. What is the Primary intent of NPO Membership?

As Nihon Kairali is registered as a Non-Profit Organization, it needs to have an official membership scheme to register its members.

By becoming an official Member, it will be a sign of extending a support to Nihon Kairali NPO. The Membership fee will be ultimately leveraged for the welfare of the community and charity activities which are the two main objectives of Nihon Kairali NPO.

2. Difference between a normal registered Member (Registered at Website) and Official NPO Member

Official NPO Members will be able to attend the Annual General Body of NPO and will have voting rights

3. Any other benefits for NPO Official Members?

For Nihon Kairali' s main event ONAM, the NPO Official members will be get 10% reduction in the entrance Fee. In Future, NPO official members may get further benefits.

4. Is there any restriction on attending Nihon Kairali' s events for normal members and NPO Official Members?

There is no restriction on attending the events by the type of members. For executing events and associated financial needs, your small contribution as a member will help to plan for more events and reduce the per event entrance fee overall

5. What is the Membership Fee ?

Membership fee is 1000 Yen for adults above Age of 18 Years for one Year. The duration is October to September of every Year

6. Will the Membership be automatically renewed?

No. The Membership will end at September at every Year and after the payment for the next Year, it will be reactivated

7. What happens if a member returns in the middle of the Year? Will the money be returned?

No. The Membership will automatically end at the end of the September for that Year and after that unless membership is renewed, it will stand closed
